PERSONAL FINANCE | INVESTING

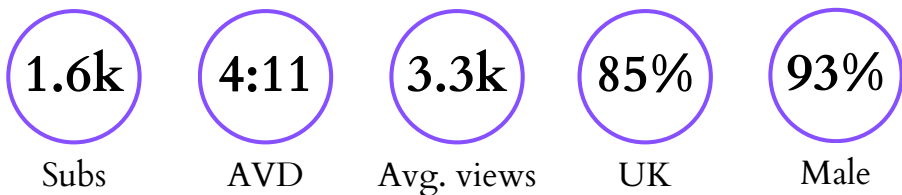

ABOUT ME

Enthusiastic about all things finance and investing.

My audience know me for my down-to-earth and friendly vibe. I explain things in my own words for maximum relatability and impact. I have built a community that are actively interested in growing assets and making smart money moves, both for themselves, and for their loved ones.

YOUTUBE STATS

I can also create UGC content for IG and TT

My content reaches an audience far beyond my subscriber base, with exceptional engagement and a highly-targeted demographic of UK-based men interested in improving their financial future.

MAIN SERVICES & RATES

MENTION – £200

A 30-60 second brand mention at the beginning or end of a video. Ideal for introducing your brand and services to my highly engaged and targeted audience.

INTEGRATION – £300

A seamless 60-90 second discussion of your product or service within the natural flow of the video content. This narrative approach is designed to build trust and maximise conversion potential. Includes a primary link in the description.

DEDICATED VIDEO

A full-length video focused exclusively on your brand, covering an in-depth review, tutorial, or feature showcase. The ultimate tool for detailed storytelling and audience education. Please reach out for a custom quote.
